(Designation) Chairman, Municipal Council, Bellary.

To The Secretary to the Government of Madras,

Local self Government Department. Madras.

Sir,

I have the honour to state that a monthly subscription of RS: 3/- was being paid to the Head-Master, Municipal High School, Bellary for the purchase of Books and Periodicals for the Reading Room maintained in the Municipal High School for the use of the teachers of the school under a sanction of the Government accorded several years back which is not now traceable. The auditor who audited the accounts of this Municipality for the half year ending 31. 3. 22 has pointed in the audit notes, an extract of which is hereto appended, that fresh sanction should now be obtained for the payment of the subscription under rule 52(IV) of Schedule IV of the Act. I have therefore the honour to request that the Government will be pleased to accord this sanction for the payment of the

Resubmitted to Government with reference to their Memo No.11015 -1 L & M dated 9th May 1923.

2. The G.O. according sanction to the payment of the monthly subscription of Rs 3/- to the Headmaster referred to by the Chairman, Municipal Council in his letter, is not traceable. However, I recommend that the action of the Council in having paid the monthly subscription of Rs 3/- to the Headmaster towards the reading room in previous years may be approved.

3. For future years from 1923-24, I recommend that the payment of the monthly subscription of Rs 3/- to the Headmaster may be sanctioned provided that the extra expenditure involved can be met from the recurring contingent allotment of Rs 1,230/- allowed for the school.

Subject: Subscription – Reading room attached to the Bellary municipal high school

---

The C.O., while stating, sanctioned the payment of the subscription is not traceable.

2. It is not clear why the matter brings in case under Rule 3·2(iv), Sch. IV of the Fin. Act & wants sanction of Govt. for the payment of the subscription. That rule applies to public libraries, & public reading rooms &c & not to reading-rooms such as the one under question. The reading room is intended for the teachers of the high school and any expenditure incurred on its maintenance should be deemed to be an expenditure incurred on the maintenance of the school itself from the contingent allotment of the school. In this view sanction of Govt does not appear to be necessary. For orders whether the Chairman may be told so and asked to meet the subscription in future from the reading
